		<p>Belarus.</p> <p>Expected results.</p> <p>For children: social development and personal growth of children with disabilities, satisfaction of their social, cultural and spiritual needs.</p> <p>For parents: reducing the level of isolation of families raising children with disabilities; stabilizing the psychological climate in families, strengthening relationships between its members.</p> <p>For teachers: formation of a unified position of the family and teachers in helping children with disabilities to adapt and integrate into society.</p>
14.	Justification of the project	<p>The state institution of special education "Center for Correctional and Developmental Education and Rehabilitation of Pinsk" trains the most severe category of children with special features of psychophysical development (79 people). Many families, raising children with disabilities, get into a situation of social maladjustment, which negatively affects the quality of life of the child. In order to increase the social activity of the social and cultural adaptation of families and their children, it was decided to develop and implement excursion routes and a cultural and leisure program of events within the framework of a social project.</p>
15.	Post-project activities	<p>Expansion of the travelling zone of excursion routes.</p> <p>Further cooperation with public organizations.</p> <p>Organizing and conducting inclusive guided tours with the finalists of the Social Weekend competition of social projects who implement the travel project "Let's Go", young disabled people of the public association "Belarusian Association for Assistance to Disabled Children and Young People with Disabilities" and students of general secondary education institutions.</p> <p>As a result of the project, relations between family members will become more friendly, a healthy psychological microclimate will be formed, which will become a favorable background for raising children. Organizing and</p>

		conducting joint leisure activities, including excursions and other events, will contribute to the social and psychological rehabilitation of the project participants.
16.	Project budget	The donor's funds are \$54,000. Co-financing: budget funds of the Pinsk City Executive Committee are \$ 6000. The total amount is \$60,000.
